

# Ancient Scribe

Game 10

June 1010

Ignotii naval forces have clashed with a small privateer in the Stilit Bay area. A large Naval Fleet of some eight vessels has moved to Stilit bay where they encountered a single light galley. The Fleet were called to action and manoeuvred to gain advantage. After a chase the Ignotii craft overhauled the Independent and using light ballista caused considerable damage. Once slowed to a crawl the ship was vulnerable and eventually boarded where a bloody but brief battle was fought on the deck by the attackers marines and the defenders crewmen. The vessel was soon under Ignotii control.
